

**Joint U.S.-Russian
JCCEM Induction-Heated Cold Crucible Melters Technology Workshop**

July 18 – 19, 2000
Santa Fe, New Mexico

AGENDA

Tuesday, July 18, 2000

- | | | |
|-------|---|--|
| 8:00 | Welcome and Introductions | Elizabeth O'Malley &
Marcus Glasper |
| 8:15 | Meeting Objectives | Roger Gilchrist |
| 8:45 | Hanford HLW Treatment and Melter Program | Joe Perez
John Vienna |
| 9:45 | Break | |
| 10:00 | INEEL HLW Treatment and Melter Program | Rod Kimmitt |
| 11:00 | SRS HLW Treatment and Melter Program | Dennis Bickford &
David Peeler |
| 12:00 | Lunch | |
| | Discussion of Russian Cold-Crucible Melter Technology
and Development Program: | |
| 1:30 | Volatilization of Heavy Metals and Radionuclides from
Soil Heated in an Induction Cold Crucible Melter | Albert Aloy |
| 2:45 | Break | |
| 3:00 | High Level Liquid Waste Solidification Using
Cold Crucible Induction Melter | Yuri Matyunin |
| 4:30 | Methods of Low- and Intermediate-Level Waste Treatment
at Radon Facility | Sergey Stefanovsky |

Wednesday, July 19, 2000

8:15 Technical Issues, Paths to Resolution and Potential Collaborations All participants

10:00 Break

10:15 Continue Discussion of Technical Issues, Paths to Resolution and Potential Collaborations All participants

12:00 Lunch

1:30 Discussion of Specific Collaborative Work Possibilities All participants

3:00 Break

3:15 Discussion of the Statement of Work and of the Record of Meeting

4:30 Signing of the Record of Meeting

5:00 Conclusion

Elizabeth O'Malley
Marcus Glasper
Roger Gilchrist
