

Record of Meeting
Vadose Zone Workshop
July 14 and 15, 1998
Berkeley, California

Russian Participants: Nelly Vasilkova and Galina Zinina, both from Hydrospeztzgeologiya

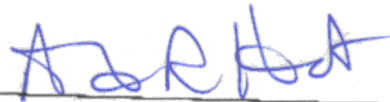

U.S. Participants: Adam Hutter, from EMI.; Charles Cole, from PNNL.; and Anne Winther-Hansen, from SAIC

Interpreter: Tanya Albert, from TEA & Associates

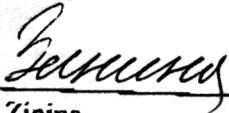

The purpose of this meeting was to discuss the technical tasks for the Vadose Zone Project. The Russian side presented the data that will be included in the final report, which is associated with each technical task. Both sides agreed the data is very thorough and approved its inclusion in the final report.
